# Dedication

Each individual in a campus setting such as ours has many opportunities to contribute from his store of resources -- talent, knowledge, ability. All too few give of these unselfishly in an earnest desire to serve. Because you have given generously of your varied ability, of your abundant knowledge, of your limited time -- of yourself, you have commanded our respect, won our admiration, and made in each of us a loyal friend. Both in and outside the classroom, you have done more than your share in the building of "a greater Lenoir Rhyne". With sincere gratitude for your ever-present friendship, your keen interest, and your invaluable contributions, the **1963 HACAWA** is dedicated to you

Professor Russell E. Brown

# FOREWORD

We are students! Our interests vary. We have moods which drive us onward. Some new aspect of life confronts us each day . . . our environment changes; we attempt to adapt to it. To remain in FOCUS, our spirits must not waver, or images will become blurred and faded.

The theme of the 1963 HACAWA is FOCUS. The focal point is the spirit of Lenoir Rhyne College which lies within her students—her sons and daughters. Spirit and love diverge from the students to the College; in return, the College converges toward the students—cultivating life . . . providing development embodying Christian principles . . . preparing us to live purposeful and intelligent lives.

With the hope of reflecting the enriched life and the cherished memories of Lenoir Rhyne, the HACAWA FOCUSES on students—the life-giving source to our HAlls, CAmpus, WAlls . . .

# CLASS of 1963

Time is quickly passing, and our college days are numbered few. Some of us are melancholy; others are joyful. Many are the friendships gained throughout the years. Days of happiness and delight will forever be recalled; days of toil and bitterness will be buried with the past. Regardless of sentimentality, everyone is enlightened by that mysterious, indescribable "something" which awaits each as the departure from our Alma Mater, Lenoir Rhyne College, grows nigh.

# CLASS of 1964

The 1962-1963 academic year will always be a memorable one for the members of the Junior Class. The class engaged in many college activities in efforts to promote and encourage school spirit on campus. A pep rally, in addition to an Open House climaxing post-game excitement, was sponsored by the class. Junior beauties decorated the class' float entry in the annual Homecoming Parade. Even though the Juniors are a little saddened as the doors of their college careers are rapidly drawing to a close, they still await with eager anticipation their long-desired position of exalted Seniors.

# NURSING TRAINEES

Those girls participating in the nursing program at Lenoir Rhyne College are members of the State Student Nurses' Association which will soon celebrate its first anniversary on this campus. Topics for the monthly meetings have varied from a picnic at the lake to a visit to the Lutheran Home for the Aged and medical films. Membership serves to bind the student nurses and to maintain devotion to a very vital program.

# CLASS of 1965

Each year, the Sophomore Class joins with the other classes in sponsoring more activities for the students. This year, school spirit was especially emphasized during Homecoming and School Spirit Week. Open Houses were sponsored in Cline Gymnasium after the home athletic events. The Sophomores, along with the other students, are striving to make our college a reality of pride and personal achievement.

# COMMERCIAL CLASS

Last September, we entered Lenoir Rhyne for one year of secretarial training. Homecoming found our class enthusiastic and interested in boosting the spirit of the Bears. A festively decorated car was our contribution to the parade.

Our class, as tradition dictates, performed the May Pole Dance. We added beauty to the May Queen's Court with Misses Judy Bolick and Sarah Gillon as our attendants.

Although LR has been in our lives for only one year, she will live in our hearts forever.

# PRESIDENT'S MESSAGE

Repeatedly we must focus the camera, the television, the headlight, the projector, the microscope, the eye and the attention to keep the vision clear. Continual adjustments and readjustments are necessary to accomplish this. One sees, surveys, perceives and discerns correctly only when the focus is accurate.

The meaning and the achievement of life depend so much upon how we see and relate everything that confronts us. The theme of the 1963 HACAWA is a reminder of this truth. Vision will be fuzzy and blurred, images will be warped, knowledge will be garbled, and goals will be distorted unless focus is sharp and precise.

College is an observatory offering the student a panoramic view of knowledge, frontiers, choices, relationships, and goals. Here we develop the art of focalization and endeavor to bring all aspects of life and reality into such clear view that we can examine the details, see them in their proper perspective, and encompass the whole.

Lenoir Rhyne wants her students to possess that accurate and penetrating focus which provides insight and foresight. Her aim is to send forth graduates whose aspirations and efforts converge upon that supreme treasure to which all lesser desires and treasures are made subservient.

DR. VOIGT R. CROMER, *President*

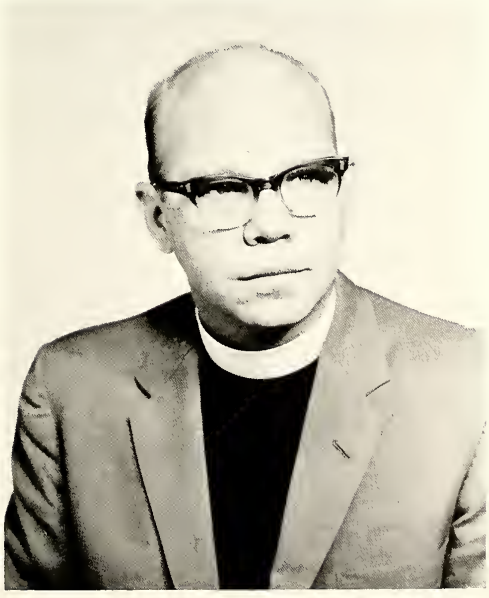

# ADMINISTRATION

The administration and faculty of Lenoir Rhyne College are an essential part of our lives as students. They are a dedicated group of extraordinary people striving for the furtherance of knowledge and truth . . . developing our personalities and goals . . . preparing us for a brighter future . . . guiding our achievement. These people are the underpaid devotees to ideals and aims. Willingly, they use their time and talent to lead us in FOCUSING our goals toward the achievement of responsible life.

DON SMITH

The Student Government of Lenoir Rhyne College exists to provide government of the students, by the students, and for the students. The objectives of our government are "to perpetuate a high standard of conduct, to maintain a suitable atmosphere for diligent study and social activity in our pursuit of knowledge, to insure justice, to have a common understanding among ourselves and with all those in a position of authority over us, to protect the individual rights of each student, and to set forth the general principles that shall govern . . . The Student Body . . . ."

Student Government is administered through various governmental units of which Student Cabinet is the ultimate student authority in legislative matters. Cabinet is composed of representatives from each of the academic classes, with two faculty advisors. These students are concerned with the welfare of their fellow students. Each Tuesday night this dedicated body spends long hours discussing campus problems and seeking means of improving the life of the Lenoir Rhyne student.

The Student Commission is that vestment of Student Government which is given the responsibility of making recommendations concerning citizenship and the general welfare of the students. In retrospect, Commission has studied many problems, and the following are a few areas of its study: the Honor System, the academic needs of the campus, movies and the "Bear's Den," dormitory problems, new systems of registration and room reservation, as well as cheerleader and Joe Bear elections, and senior privileges.

# STUDENT COMMISSION

# STUDENT COURT

The duty of Student Court is to hear and to try the case of any student charged with any of the major Constitutional violations. Court is composed of the President and Vice-President of the Student Body, plus representatives of the classes as appointed by Cabinet.

Peper, Sellers, Smith, Mauney, Schrum.

Any type of student fund-raising project scheduled to be held either on or off campus must be given prior approval by the Budget Committee. The Treasurer of the Student Body is chairman of the Budget Committee, the remaining members being the treasurers of Interfraternity Council, Panhellenic, Religious Council, and the five classes.

# MEN'S HOUSE COUNCIL

Blair Stratford, *President, Morgan Hall*
Gary Hinkle, *President, Highland Hall*

The Men's House Council functions in the two men's dormitories on campus—Highland Hall and Morgan Hall. The house councils are responsible for the actual government within their respective dormitories. Members of the house councils are elected by the residents of each dormitory. They are, in this respect, responsible for order in the dormitory as it relates as a function of Student Government, as well as of Lenoir Rhyne College as a whole. To this end, they serve to maintain an atmosphere conducive to study and group living.

The Women's House Council functions in the three women's dormitories on campus—Fritz Hall, Mauney Hall, and Schaeffer Hall. Each house council is responsible for discipline and the maintenance of amiable group living. As a branch of Student Government, this dormitory-governing body is an important one and functions to uphold the high standards of Lenoir Rhyne College.

*Seated:* Summers, Rowland, Dohrmann, Coffey, Allred, Zobel; *Standing:* Schrum, Casper, Wyatt, Plonk, Martin, Gribble, Katzenmoyer, McShane, Foster, Long, Stevens, Coggins, Pugh.

This year, on trial by Lenoir Rhyne College Student Government, Schaeffer Hall had the unique distinction of being an Honor Dormitory. Long experience has proven that the highest degree a college can award is not inscribed on paper, but is written upon the souls of its graduates. Honor is the one essential which enables a person to respect herself and to merit the respect of others. The measure of a student's love for the Honor Code and her college is the extent to which she is willing to uphold these responsibilities.

As residents, we are not naive enough to think that this year's experiment has been perfect, and time will only tell; but we do feel that it is a step forward for better life on our campus.

The Campus Guide Program, a vital part of Freshman Orientation, has been expanded in the past two years. Included in the program are not only guide-group leaders, but also various committees which help in developing and carrying out the program. All of these students undergo a training period in the spring and return early in the fall. Each one contributes to the collective effort of introducing new students to Lenoir Rhyne.

The editing of the 1963 Hacawa has been an enormous task. Numerous pages of layout, portraits and portrait appointments, stacks of disorganized photographs and copy material—these are only a few of the components of that large, bulky dummy of your yearbook, and these can cause distressing and disgusting dilemma-producing situations.

The hands of the clock continually pass the midnight hour, the typewriter ribbon becomes dim and must be changed, pencil leads become blunt and must be sharpened, then . . . mistakes, mistakes . . . erase, erase. From the time of meeting with engraver and printer, minutes become hours, hours become days, days become months, and months become a year—this is how the Hacawa has lingered in the hands of your editor and some of her staff . . . this is how we are able to FOCUS on YOU!

The responsibility of the Hacawa Business Staff is to secure the necessary funds from which the editor aspires to produce the annual. This year's staff has been composed of students from every class. The business manager and her assistant have served as the directors of the business staff.

The 1963 business staff, through generous funds from advertisements, managed to secure a total of $1,449.00. This amount, in addition to a student publication fee, financed the publication of the 1963 Hacawa. The merchants in Hickory and the surrounding areas cooperated in contributing a sufficient amount of funds to the editing of a bigger and better publication.

# RHYNEAN STAFF

Returning to the single-editorship system, *The Lenoir Rhynean* continued to fulfill its triple role of news conveyor, student spokesman, and campus conscience. (It was first with such news as WHO'S WHO and student body election results, sponsored the Glamour "Best-Dressed" contest, recognized the deserving, and launched a successful money-raising campaign to send its sports editor to the Camellia Bowl for on-the-spot coverage.) Its most important function, however, was a traditional one—fostering student and faculty awareness of campus problems and the need for changes and improvements.

The Religious Council is a coordinated group of representatives from each of the organized religious groups on campus. A few of the significant purposes of the Council are these: to promote a religious atmosphere on the campus of this college, to instill a Christian attitude toward the pursuit of knowledge, and to foster a spirit of fellowship and cooperation among the members of all religious groups. The projects of the Religious Council for this year have included the Faith and Life Series, the Campus Chest, the Student Services, and other various religious opportunities for the campus family.

The classic *Hamlet,* as the opening production, set the pace for an exciting and eventful year. Other major productions of the year included *The Caine Mutiny Court-Martial, Christ in the Concrete City,* presented in cooperation with the Religious Arts Festival, and *A Majority of One.* In addition, the workshop theatre presented several productions, one of the most popular being "An Evening with Tennessee Williams."

Under the guidance of Mr. George Spence as director and Mr. Richard Zimmermann as technical director, the Playmakers continue to serve a twofold purpose—presenting superior entertainment for the public and offering an opportunity for interested students to develop their talents in the various methods of stagecraft.

# 1962 FOOTBALL TEAM

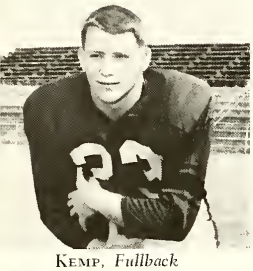

The 1962 football season was highlighted by the post-season Camellia Bowl Game in Sacramento, California. Previous to that game, the Bears had enjoyed the thrill of eleven victories. Their Central Oklahoma State opponents would serve the Bruins their first taste of defeat in Hanley Painter's freshman year as head coach. The names and places will long be remembered. Names like Odell White, Richard Kemp, Benny Kennerly, Howard Barnhardt, and Joe Rhyne were stars who will find a place in the annals of LR football history. The state of South Carolina will long be remembered as the place where the Bears won three straight games—"squeakers." But, as Coach Painter said, "If we can get out of South Carolina 2-1, we will be in pretty good shape." "Pretty good shape" was not strong enough to describe the season. Through four straight weeks, the defense held the opposition scoreless with a string of five shutouts, which was broken by loser ECC who managed six points. No less than twenty-five men were picked for full-time duty, and they shared the burden of stopping opponents and serving fans the highest-priced commodity—"Bear Meat." Hanley Painter has emerged as a very capable head mentor and is a deserving "Papa Bear."

LR 35 CATAWBA 8

Odell White and Richard Kemp scored two touchdowns each to lead Lenoir Rhyne to a 35-8 triumph over Catawba. The win was the Bears' tenth of the year and moved the Bears into the Eastern N.A.I.A. Playoffs against Northern State of South Dakota.

Joe Rhyne scored the other LR touchdown late in the third period on a seventeen-yard pass from Mike Pope. In the fourth period, Jim Edmiston blocked a Catawba punt for a safety.

With 134 yards rushing, White's total of 1146 yards rushing set a new conference record. He also finished with 1533 yards total offense for another record performance.

Benny Kennerly and Jim Edmiston, along with Sam Fowler, led the Bears' defense which held the Indians to a -5 yards rushing and a less than impressive 59 yards passing.

LR 7 EAST CAROLINA 6

East Carolina led for three and one-half quarters, but could not stop a late Lenoir Rhyne sixty-four-yard drive, as the Bears won a thriller 7-6.

With 8:24 left on the clock in the fourth period, Richard Kemp started the game-winning drive. After running most of the sixty-four yards, Kemp passed to Jim Qualls from nine yards out for the touchdown. For the fourth time of the year, Marion Kirby followed with a P.A.T. than won the game for the Bears.

The game was the first between E.C.C. and LR since Clarence Stasavich took over as head football coach at the Greenville institution.

*Richard Kemp smashes through the strong Northern State line for a gain in yardage.*

Lenoir Rhyne's quick-striking offense and a stone-wall defense overwhelmed Northern State of South Dakota 20-7, in the N.A.I.A. Eastern Playoffs. The victory gave the unbeaten Bears a berth in the N.A.I.A. finals and pitted them against Central Oklahoma State in the Camellia Bowl in Sacramento, California.

The Bears took an early lead of 20-0 and breezed on to victory. Richard Kemp passed to Joe Rhyne for the first score, and defensive tackle Eric White recovered a blocked punt in the Northern State end zone for another Lenoir Rhyne score. Marion Kirby's kick was good, and the Bears led 13-0. Benny Kennerly, who was voted the game's outstanding lineman, blocked the punt that set up White's six-pointer. The final LR touchdown came on a thirty-eight-yard run by All-American Odell White. White, who was voted the game's outstanding back, carried the pigskin fifteen times for 105 yards rushing. Kemp carried sixteen times for forty-eight yards, passed to Joe Rhyne for a thirty-six-yard TD, and punted four times for a forty-yard-plus average.

Sam Fowler, Eric White, Howard Barnhardt, Jim Edmiston and Benny Kennerly led the defensive strike. Northern State scored their only TD with one second remaining in the first half on an interception and a good P.A.T. The fierce second half produced no score.

## CAMELLIA BOWL

LR 13 CENTRAL OKLAHOMA STATE 28

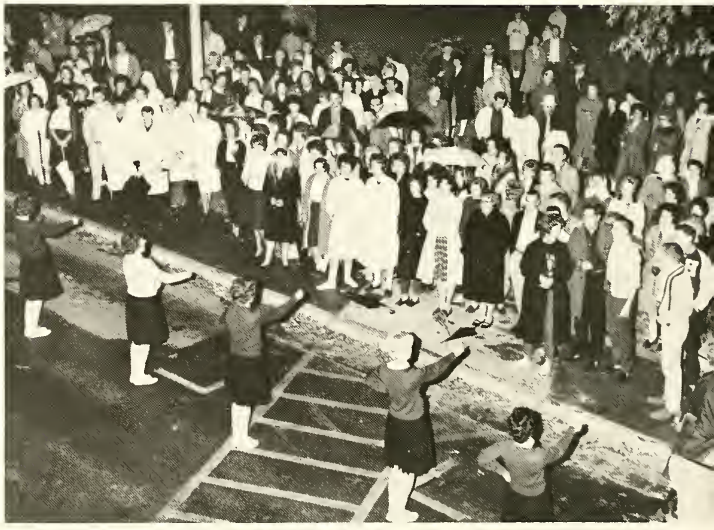

*An exciting moment for the Bears' radio fans on campus — Odell White goes over for the second LR touchdown.*

The student body of Lenoir Rhyne College was *with* the Bears every moment of a thrilling game with Central Oklahoma State in Sacramento, California. By the "will of the students," Bert Flowers was sent to the game to bring to the Bears the undying support of LR students and faculty. On the eventful day, radios blared forth in homes and dormitory rooms . . . tension mounted from one moment to the next . . . the half-time found LR students rushing to the dining hall so as not to miss one grand moment of the game.

In a fierce battle, the Bears were handed their first defeat of the season, 28-13. The Bears' effort will long be remembered.

Win or lose, the Bears found that the spirit of their supporters never changes. A throng of LR students and supporters met the Bear Team in Charlotte. "We're behind you all the way . . ."

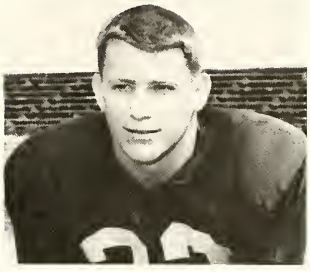

*LR's spirit never wavers, and "showers fail to dampen LR spirit" in a pep rally held as a send-off for the Bears to California.*

# CHEERLEADERS

McGinnis, Austell, Davis, Stanley, Mitchell, Hoyle, Zobel.

Always fighting for the Red and Black are the Lenoir Rhyne cheerleaders who lead the fans at Lenoir Rhyne sports events. Beginning with football, the cheerleaders follow the teams here and there to let the boys know that the cheerleaders and the students are behind them. As basketball season rolls around, the "Rah-rah" girls are at it again, cheering the Bears to victory. These, our "spirit-inciters," are always supporting Lenoir Rhyne College in SPIRIT in every phase of college life.

# 1962-1963 BASKETBALL TEAM

The 1962-1963 Lenoir Rhyne Basketball team won more games than any other team in the Bears' history. Their twenty-six wins against five losses puts them at the top in wins for a new school record. They broke the old record of twenty-four wins by the 1958 team, one which went to the quarter-finals in Kansas City before losing out to Southwest Texas.

Tommy Burton and Jerry Wells were the big stars for the Bruins. The senior co-captains led the team in scoring, and both were named to the All-Conference and All-District All-Star Teams. Burton outscored Wells by a single point, 391 to 390, to cop the regular-season scoring crown.

After winning the regular-season Conference championship, the team also won the tournament in Lexington. In winning that tourney, the Bears defeated the strongest teams in the Carolinas Conference (except themselves). Burton was named the Most Valuable Player of that three-day event as he led his team to victories over Elon, Western Carolina, and High Point. This was the first Lenoir Rhyne tourney championship in five years. Their winning streaks, which were continually broken by Western Carolina, were again broken as Western defeated them in the District Playoff for the Kansas City Tournament.

If any one person or persons could be tabbed as non-replaceable, it would have to be Burton and Wells. Many observers thought of them as the two best basketball players in the Carolinas Conference. But winning is a team effort. Jim Wiles, Ed Miastkowski, and Neill McGeachy were the other three starters, each of whom contributed immensely to the success of Lenoir Rhyne on the basketball court. All three averaged in double figures, and Wiles broke the conference record of the most successive free throws made. It also goes without saying that a team needs a good bench in order to win—and the Bears had a good one. Throughout the season and particularly in the tournament, Coach Wells was able to use someone off the bench, and that individual turned in an excellent performance. Jim Ehlers and George Deehan were the top substitutes, but Emil Dixon, Macy Foster, and Don Schley were also capable fill-ins. But as the season was a winning one, its end brought to a close the careers of the three men who had started three years for Coach Wells—Wells, Burton, and Wiles. The team will be hard-hit by the loss of these three men.

Coach Odell Moose

The 1962 Baseball team won more games than any other in Lenoir Rhyne baseball history since 1952, the year the team won the conference crown. Bren Elliot was the leading hitter and Gary Hinkle the leading pitcher on the '62 team which finished second in the conference standings. Elliot's .369 batting average and Hinkle's 10-2 pitching record with 1.65 ERA led the team. Hinkle was also named to the All-Conference team and batted .344. Jim Ehlers, David Dale, Dick Woodward, Danny Thompson, Dick Angel, Jim Kilby, and Benny Kennerly also had a hand in the Bears' success. Kennerly was invaluable to the team with his pitching and hitting. Benny was 5-2 pitching and batted .281. The 1962 team came very close to winning the conference title before losing to Pfeiffer in the last week of the season. On the other hand, 1962 appears to have been a good year for the Bears. With the return of their pitching staff and several established hitters, the Bears should be in the thick of another conference race, and the outlook is good for a conference baseball title, one which the Bears have not won since 1952.

*Pete Ripley easily clears the hurdles.*

Joe Rhyne, the one-man track team, was easily the most outstanding individual in Carolinas Conference track competition. In both the district and conference meets, he was high-point man. He broke two records and had a hand in breaking two others. His 21.6 seconds in the 220-yard dash is a new conference record. He also set a new mark in the pole vault in the district meet. The lanky senior also ran in the record-breaking mile relay, running a 440-yard leg. Don Smith, Bert Flowers, and Marcus Midgett were also on that mile-relay team. But as spectacular as Rhyne was, he could not win meets by himself. Pete Ripley was a winner in the hurdles and the mile relay. Frye, Flowers, Fowler, and Dawson were noteworthy in relay and field competition. As a team, the squad won the conference and district track meets for the third consecutive year. They were also winners in the small-college division at the Furman relays. In tri-meets, the Bears were first in an encounter with High Point and Elon and second in a clash with Southern Conference powers, Furman and East Tennessee.

# First the clock . . .
# then the plant —

When a customer bought 100 cigars from the wholesale grocery firm of H. Cone & Sons in 1870, he received a handsome clock. Some of these clocks are still ticking away. In addition to selling cigars and groceries for their father, Moses and Ceasar Cone sold cotton plaids. Seeing a great future in fabrics, they started the Cone textile enterprises as a selling and commission house in 1891. They built the original manufacturing plant in 1896.

# What of Cone Mills Today?

From these small beginnings has come one of the world's largest and most progressive textile firms. With 18 plants employing almost 13,000 men and women, Cone Mills today is the world's largest producer of corduroys, denims and flannels. Its modern printing and finishing operations are turning out a host of other fashion-right fabrics. Cone through its research and development activities is constantly seeking better ways to make better materials. Examples of Cone firsts in this country are the new, popular stretch denims and corduroys.

To maintain its high standards, our company needs young people with initiative and intelligence. Cone Mills offers opportunities in four areas . . . production, administration, sales and research. Would you be interested in joining such a progressive organization? Write Industrial Relations Department, Cone Mills Corporation, Greensboro, N. C.
